OLC 78-1978/1
30 June 1978

MEMORANDUM FOR: Don Gregg
C/PCS [redacted] STAT

FROM : [redacted] STAT
Acting Chief, Coordination and Review Staff
Office of Legislative Counsel

SUBJECT : Request From Representative Larry McDonald (D., Ga.)

1. As you know, the attached request has been pending since 23 May. My secretary from time to time made inquiries and was told that it was still pending. I am concerned that she was advised by your office today that no Congressional requests will be responded to until all of the DDO research for the House Select Committee on Assassinations is completed.

2. I understand there is a tremendous backlog for the Assassinations Committee and it is doubtful that the reviews will be completed before the end of the year. Does your response mean that no other Congressional requests will be answered during this period? Please let me know since this has a very serious impact on our relations with the Congress and such a decision must be made known to higher authority.

3. We would have appreciated being notified of this position when this request was sent rather than more than a month later. Please note that Representative McDonald requested a response "as soon as possible."
